Slide Title	What is Social Gaming?	Slide #	

Visuals	Narration/Text
No graphics.	<p>Social gaming is any type of gaming that requires, or allows, social interaction. Something as simple as Go Fish would be considered social gaming. For the purposes of this course, we will talk specifically about online social games, which are online games that allow text chat, voice chat, and other social features.</p> <p>Add a quiz to test knowledge of which games are social.</p>
